COMMITTEE REPORTS

Personnel: John Goldberg moves from probie to regular member.

Building: Chirping is gone.

Apparatus: Re: The engine with the cracked frame (81) – The Chief will take KME up on their offer to repair the truck by cutting part of the frame away. They will then warranty it.

Insurance: Reviewing our policies to see who is qualified and who isn't – Weeding through it.

Dinner: All good.

First Aid: It was reported that EMS responded to 35 calls this month, 5 transports.

Being as this is a new year, Ron has some good ideas. He would like to get the 2 Boards together and work on the first aid situation. There is no denying that there is a lot more building going on in town. We have the goal of having an ambulance over here in Whippany, as well as looking to add 24/7 coverage. We'd like to do it with Cedar Knolls as we know whatever we do, will affect their finances. We would like to work on that.

Township: Nothing at this time. George has been appointed liaison again this year.

FIRE COMPANY AND RELOCATION:

Fred spoke about the firehouse property. Things are moving along and they are setting up dates. Hopefully, the next step will take place in late winter / spring.

Kevin Herbert has approached us with the idea of a 'Class B' uniform for the junior members – either a T-shirt, polo shirt, etc.. He is looking at it and then we can discuss costs and if the commissioners could offset some of it.

OLD BUSINESS

Moving \$25,000 into Fire Prevention.

NEW BUSINESS

TQ called in this week. He purchased an old Board of Ed landscape trailer to become a Mobile Command Center for the OEM. He approached Bayer to outfit it with a desk, map of the town, etc... Bayer is working with him on that. DPW has an old dump truck to tow it. It can also be towed by Cedar Knolls' 450. Good idea came up to check with Parsippany, who has one also. And to ask them what works best inside it. TQ is asking both departments to contribute money towards a radio for the vehicle. It would be \$600 each.

This Command Center would be used for such events as the fireworks, flooding, etc.. Cedar Knolls has already said yes to the contribution.

A motion was made by Comm. J. Mihalko to fund \$6,000 into the Fire Prevention account for purchase of a radio for the OEM. That motion was seconded by Comm. M. Mihalko and passed by the following vote:

AYES: Barz, M. Mihalko, J. Mihalko, Cobane & Hansch

At this time, there was a public hearing on the budget.

Chief Davidson mentioned that our website needs updating. It will be looked into.

He asked about a LOSAP increase – We have not increased it as we are in the process of tightening our belt right now.

He also mentioned that we have \$100,000 in Capital Outlay. We are going with Vince's recommendations on that.

At 8:29, the public hearing on the budget was closed.

PUBLIC PART OF THE MEETING

There were 7 members of the public in attendance. Chief Davidson asked for a copy of our budget. Comm. Cobane said no – that he would have to fill out the correct requests first.
