Help Benefit

The Whippany Fire Company

SUPPORT THE CAUSE.

Almost a century ago, a group of concerned citizens got together to form the Whippany Fire Company and as we enter into our next 100 years of service, we are proud that we have been able to continue the tradition of excellence and service to our community, which they began.

As many of you have seen, we have begun construction on our new firehouse to help prepare us for the next 100 years. This project is being self-funded and underscores how important your financial support is to the Whippany Fire Company. We expect the work and expenses of a new firehouse to be great and the benefits of our new firehouse to be even greater.
