CHIEF'S / FIRE OFFICIAL REPORT and COMMENTS

The following Chief's report was submitted for approval.

A motion to accept this report was made by Comm. J. Mihalko and seconded by Comm. Cobane. It was passed by the following vote:

AYES: Barz, J. Mihalko, Cobane

ABSENT: M. Mihalko & Hansch

NAYS: None

Supplies, Equipment, and Maintenance

- Supplies were purchased from Politi Auto Parts.
- Fire Fighters repaired two SCBA packs and one SCBA bottle.
- Minerva Cleaners repaired and cleaned 4 sets of gear.
- Supplies were purchased from Firefighter 1.

Apparatus

- The on board generator is not working. Bob Krygoski installed an electric line so we can use a portable generator to power work lights and the cord reel. Estimates to repair the generator is \$5,260.00 or to replace the entire generator \$12,680.00. At this time I do not believe that we should make these repairs and continue to work off of the portable generator.
- A lawyer from KME contacted me 2 weeks ago regarding the letter that we sent for Engine 81. KME has sent out a Mechanical Engineer who specializes in failure of materials to look at the engine. Mr. Richard Roberts Ph.D. who works for Lucius Pitkin, Inc. in New York City came out on last Thursday to look at the engine and asked for a sample of the frame be cut out and sent to him so he can analyze the metal. On Friday the mechanic from First Priority was hereto work on Engine 83 and cut out a 3 inch wide section of the frame and will be sending it to Mr. Roberts. A report will follow.

Training

- Training topics for the month of July were vehicle extrication and water rescue. The first extrication class was a classroom session while the second was a practical exercise.
- No training drills for the month of August.

Purchases

- No purchase requests.

Fire Prevention

- (32) Inspections / re-inspections were conducted last month and \$84.00 dollars in permits were collected.

EMS

- (27) Calls were answered last month and we assisted with 1 transport assist.

Fire

- (41) Calls were answered last month.

Other Matters and Announcements

- Matt Downey completed FF1.
- We have 2 juniors in the Junior Firefighting class at the Fire Academy.
- Everything is all set for Inspection Day. Maintenance drills will begin on Tuesday August 20, 2013.
- Hanover Township Day is on Saturday September 7, 2013 from noon-5pm. Rain date is Sunday September 8, 2013.
- Met Life is having an employee Health and Fitness fair on September 25, 2013. They invited us to be there have a table set up with information regarding the organization. We will also have the fire extinguisher training system set up that we receive through the regional grant a few years back for their employees to see what it is like to use an extinguisher.
- I made contact to a State Trooper who handles the distribution of money for Hazard Mitigation regarding the relocation of the firehouse. I was put in touch with them from Sandy Oliver from Bayer who we met with a few months ago.
- Bayer has over 700 employees on site and is looking to open 3 floors in the next building sometime around Labor Day.
- There will be a personnel meeting tomorrow evening. We have one new member coming in and a few members internally moving from junior to probationary and probationary to regular memberships.

COMMUNICATIONS

- Nothing at this time

COMMITTEE REPORTS

Personnel: Anthony Rapa – New junior member starting tomorrow.

Building: Nothing at this time. All OK.
